

Hole 3

□ White Yards	339
■ Yellow Yards	308
■ Red Yards	300

This hole requires a tee shot of around 200 yards to the right hand side of the fairway. Anything to the left will leave a second shot that will have to carry one of two large, strategically placed, Beech trees and a bunker which guards the front of the green. Drive too far and you may well be blocked, or too near the trees to be able to carry them.
